Subject: South Side Community Coalition the Farmer Market Promotional Grant

The Lewton-Rich Neighborhood Association indicates its support of the efforts by the South Side Community Coalition in the creation of a SSCC Farmer Market, by way of passing a motion in support of the SSCC Farmers Market during the March 20th, 2008 LRNA Meeting.

LRNA recognizes the benefits of fresh fruits and vegetables that the SSC Farmer Market will provide to our regions by bringing locals family farms into our neighborhoods. As the Farmer Market Promotional Grant is a great way to increase awareness and support healthy eating to the residents but most importantly to our seniors and youth. This grant will benefit our community and local farmers by building a healthy partnership.

Please award the South Side Community Coalition the Farmer Market Promotional Grant.

Thank you for your time and support.
